

MESA HOMES

Dear Karen,

On behalf of our entire team behind both of our Fairmont projects in Breckenridge, I would like to thank you for the tremendous effort that you and 555 have provided over the past 2 years. Throughout a very challenging economy and development period, your continued creative and emotional energy has been a foundation that our team has depended on and will definitely help in meeting our original goals and objectives.

I am proud of what you have accomplished and believe your design and creativity will be one of the primary reasons our project will ultimately win industry awards and will confidently stand the test of time.

Thank you again Karen. You are a true partner!

Warm Regards,

John D. Niemi
