Recognizing  
Exemplary  
Design

The Illinois Chapter of the International Interior Design Association hosted the 6th annual professional design awards competition, the RED Awards, on Thursday, May 10th, at Venue SIX10. 117 submissions were entered, over 300 design community members attended, and 13 awards were received. It was a great night to Recognize Exemplary Design.

In the spirit of the Academy Awards, the event was a red carpet gala. The evening began with cocktails and mingling, followed by the ceremony, recognizing the best design projects from the Illinois interior design community.

Our distinguished judges reviewed the entries from over 55 Illinois-based design firms and designers. The Michelle Roberts Student Award returned, recognizing the best student design projects submitted by students from the College of DuPage and Columbia College Chicago.

The IIDA Illinois Chapter RED Awards Committee would like to share a special thank you to our Judges, Chapter Sponsors, Board Members, and Mistress of Ceremonies, Cheryl Durst. Finally, to the Illinois interior design community, our heart-felt thanks for making this endeavor a continued success!

In an effort to keep the celebrating going, please join us in honoring our RED winners, along with the Best of Show and People's Choice award recipients for 2018!
